

Volunteer Coaches

The majority of our coaches are GSL Volunteer Parent Coaches; but we do have a few GSL School Alumni and other individuals who want to help out and give back to the community.

Sometimes the parents are hesitant to sign-up to coach due to their lack of coaching experience; or they are hesitant to commitment to a certain time frame. Don't worry- we will equip those parents with the tools they need to effectively coach and we will also pair you with other volunteer parents in order to offer more flexibility.

We are always in need of coaches for Football, Soccer, Baseball, Softball, T-Ball and Basketball. We also need volunteer assistance with our Sport Assessment Days, which is an evaluation process in order to properly balance our sport's teams. So, don't hesitate. E-mail me or call and get signed-up today to coach!
