MCRA T Ball Rules

revised 2009

1. Rosters should be limited to 18 players so all players get plenty of playing time and all players must bat through the line up - too many players limits the number of bats per game - 3 outs or 6 runs constitutes a half inning.
2. T Ball is for junior and senior kindergarten children and can be co-ed teams.
3. The infield must contain the compliment of players in proper infield positions - no more than 3 feet from the base path. All other legal players must play in the outfield and at least 12 feet behind the base path. Please remind players to back up in the outfield - they tend to creep in as the inning goes on.
4. Inning: 5 innings constitute a game or an hour and 15 minutes time limit. If the 5:15 PM game does not start on time you must deduct the time from the time limit so the second game (6:30 PM) can start on time. Again - 3 outs or 6 runs constitute a half inning.
5. Batting order: All players must bat during the game in the batting order established prior to the start of the game.
6. Time limit: 1 hour and 15 minutes - see rule number 4. No new inning may begin after 1 hour and 10 minutes from start time. Coaches please count 5:15 PM as start time for the first game and 6:30 PM as start time for the second game.
7. Bases should be 45 feet apart. Pitchers stand 35 feet from home plate.
8. The T shall be placed on the home plate , and all batters MUST bast off the T. Do not pitch to any players - this season is to have fun and teach the players how to field the ball and get outs - defense. Coach pitch, (1st and 2nd grade) takes the next step with focus on batting.
9. Semi-circle or diagonal line should be marked on the field in front of the home plate at a distance of 10 feet - the ball when batted must pass this line to be considered a fair ball. There are no strike outs (swing and misses) in T Ball.
10. Time out: A coach can call time outs at any time as long as the privilege is not abused and game time wasted.
11. Home team is determined by the toss of a coin. Home team keeps up with the innings. No score is kept in T ball so please discourage parents and players from keeping up with it or repeating the score to others as the game ends.
12. Officials: Each team must provide a parent or other adult to umpire the game. Usually the coach helping the batters (offense) can call from the plate and the coach in the outfield (defensive coach) can call the bases.
13. Coaches - the offensive team may provide a coach at first and third base and the defensive team may have ONE coach in the outfield and this coach must remain behind the outfielders - not next to or in front of the outfielders. No coach is allowed on the field while his team is at bat.

This is a league for the children to begin the love for the sport - to develop interest and begin learning the basic fundamentals - there is nothing wrong with parents and coaches helping all the children during the game regardless of the uniform they wear or team they represent - let's all work together!

14. There are no forfeits - play the game regardless of number of players on each team and borrow players from the other team if necessary.

15. Catchers must wear helmets and base runners and batters must wear helmets.

16. Equipment: T Ball bats must be used and the balls are rag balls; Incrediballs or Cooper soft touch.

17. One extra base is awarded on an overthrown ball that goes out of bounds. Runner is awarded the base he/she is going to plus one.

18. The ball is dead when the ball passes the plane of the infield from a ball thrown from the outfield (as it crosses the plane over second base or short stop going back to the pitcher. If the runner on third has left the base the ball may be played on the runner and the ball is not dead.

19. Batters should not sling the bat - allow them to carry it to first base if it is a problem.

20. Coaches may not touch, grab, hold, or push their players while ball is in play.

At the end of the game encourage both teams to come together in fellowship and prayer.
